We would like to welcome the children and families who joined nursery this term.

A warm welcome to the next block of learning in nursery. We cannot believe we have reached the final block of the school year already! We are very excited to adventure into a world of stories for our final 10 weeks. We will be taking part in lots of storythemed activities and exploring traditional tales.

In Foundation Stage 1 (Nursery), we love to learn through exploring our environment. We have lots of exciting learning throughout our class, inside and outside. When your child enters Nursery there are welcoming/ settling activities for your children, we then register and find out what the day has in store for us!

For most of our session, the children will have 'COOL Time' or 'Choosing Our Own Learning' Time. This is where the children can choose when and where they learn, exploring the different indoor and outdoor areas. This is structured to ensure the children make progress in all areas of development, with play as the catalyst to drive the learning. We also learn within small and larger groups for focused sessions on Maths, Literacy, Phonics, RE and PSED.

There are so many different and wonderful things to do in our class, we firmly believe in having lots of fun, having a go, following our interests and learning through play.

We follow the Early Years Foundation Stage curriculum; full details of Development Matters can be found:

Class Dojo

ClassDojo This is a two-way communication tool, where we can send messages and photos to update you with any key dates or information. Please

Our Team

Class Teacher Mrs Clarke

HLTA Mrs McInally

Teaching Assistants Miss Pickford Mrs Stewart

If you ever have any questions or concerns, please contact any member of the team who will be more than happy to help.

Key dates

Monday 5th May - Bank Holiday Friday 9th May-80th anniversary of VE day celebrations

Thursday 15th May - EYFS Liturgy 3pm Friday 23rd May - School closes for halfterm

Monday 9th June - School re-opens Friday 13th June-Talent Show Friday 20th June-Nursery Assembly 2.45pm

Monday 14th July - Reports emailed to parents

Wednesday 23rd July - School closes for summer holiday

The weekly newsletter and Class Dojo will also keep you up to date with events.

General Information

- Please make sure to label your child's clothing.
- Please keep some spare underwear and clothing in your child's bag. We are very busy in Nursery and can sometimes get a little messy or have accidents.
- We will be doing Forest School sessions on a Wednesday. Children need to wear clothing with arms and legs covered and a sun hat and sun cream applied.

feel free to contact me if I can help with anything or if you have any questions.

During block 3 we learnt about different kinds of animals and their environments/ habitats. We knew that children were very excited about all kinds of animals which provided us with an excellent catalyst to drive learning and spark engagement, creativity and enthusiasm in class. We looked at the different types of animals, farm, zoo, pets, mini-beasts, dinosaurs, polar animals, animals that live in the sea etc. We have looked at some life cycles and animals and their babies. In our PE session we having been focusing on dance we explored space and how to use it safely. We then copied, repeated and remembered some actions and put them to music. In RE we have talked about being good friends and saying sorry, when we do something wrong. We then focussed on Easter and what happened to Jesus during Holy Week.

Our **key concept** was **Change** we have learnt how animals change as they grow up and how the baby's animals are looked after. We have started to talk about changes in school too, especially for the children who will be going into the reception in September.

Our theme this block is: **Tell Me a Story**

Over the next ten weeks,

We have based our block on key stories, we will use these stories/tales to inspire our imagination to retell, act out and write different stories. In RE we will be learning about "New Life" and "The Church". For more information please see our Long-Term plan on the website.

Our **key concept** this block is: **Creativity**

| In Nursery, we will STRIVE to do our best! | | | | | |
|---------------------------------------------------|----------------------------------------------|-------------------------------------------------------|-------------------------------------------------------------------|---------------------------------------------------------------|--------------------------------------------------|
| Spiritual | Trusted | Resilient | Inquisitive | Valued | Exceptional |
| I can talk about feelings. | I can work in a team. | I can focus on tasks even if I don't like them. | I like finding out how things work and asking questions. | I have respect for different people and cultures. | I can articulate my thoughts and feelings. |
| I can join in with prayers. | I can play well with others and share. | I can try new things and new experiences. | I am interested in words, books and numbers. | I take care of my classroom and my environment. | I can sit and listen attentively. |
| Bible stories. | I can make good choices. | I can work on my own. | I try new things and new experiences. | I can receive praise and know when I have done well. | I know what I am good at. |

This year we will be focusing on being inquisitive, valued and exceptional.

We are especially focussing on our inquisitive value along with the rest of the school.

Our class name is **Peter Pan**.

Parents as Partners

\[
 \frac{1}{2} \fr

Working in partnership with parents is a key principle of our effective practice. We have clear systems for ongoing dialogue based on a two-way flow of communication: we use Class Dojo, conversations at the beginning/ end of the day, stay and play sessions, new parent meetings and parent/ teacher meetings. We report progress and children's achievements throughout their time with us on Class Dojo and at termly parent/ teacher meetings. Parents have a frequent report of their children's achievements and have the opportunity to respond with comments, as well as recording learning at home too. Parents are encouraged to contribute home events and activities to their child's Dojo page. Parents also receive an end of year school report.

There are 4 key principles that underpin our practice at St Simon's.

A Unique Child

We recognise that all children are different. We identify and celebrate their strengths and support their areas for development.

Enabling Environments

Our indoor and outdoor areas encourage exploration, investigation, and independent learning. Our displays and resources are well maintained and reflect current learning.

Positive Relationships

Our pupils interact well with each other and with the adults in the school. We encourage parents to be involved with their child's education.

Learning and Development

There are so many different and wonderful things to do in our class, we firmly believe in having lots of fun, having a go, following our interests and learning through play.

The EYFS Framework and Development Matters are the basis of our curriculum which gives statements for the ages of the children. We share this with parents and base the next steps for the children on this. Early Years Education focuses on seven areas of learning:

Prime areas of learning

- Communication and Language
- Physical Development
- Personal Social and Emotional Development

Specific areas of learning

- Mathematics
- Literacy
- Expressive Arts and Design
- Understanding the World

What you can do to help:

- Talk about Good News, how this can excite us and make us happy
- Pray with your child before going to bed. Suggest they thank Jesus for all the
 people who have helped them during the day and to say sorry for anything
 they may have done wrong.

Our Church Family

Children will know that we all belong to God's family and that we belong to our Church family. Children will know that we have a parish church, St Peter's.

- Talk about Sunday being a special day, learn days of the week song YouTube to the tune of the Addams Family.
- Visit a church, talk about the alter, the candles, statutes etc.

Communication and Language

During Block 4 children will be encouraged to join in with repeated refrains and anticipate key events and phrases in rhymes and stories. We will do this on a 1:1, in a small group and as a whole class. They will begin to understand 'why' and 'how' questions linked to stories they hear. They will extend vocabulary, especially by grouping and naming, exploring the meaning and sounds of new words. Children will continue to develop their phonological awareness using Phase 1 and Phase 2 Phonics, they will listen to and clap syllables in words, listen for initial sounds in words have an awareness of rhyme and alliteration. They will be encouraged to give meaning to marks as they draw and paint and ascribe meanings to marks that they see in different places. They will copy some letters from their name. Children will begin to make stories using Tales Toolkit.

What you can do to help:

- Ask your child what they have been doing at Nursery use Dojo photos to prompt discussion
- Chat to them at home to encourage listening skills
- Encourage them to ask questions and to use questioning words
- Encourage them to predict what might happen next when sharing stories
- Encourage your child to verbalise when they need help
- Encourage them to draw and attempt to write their names or letters in their name
- Play games where you give them an instruction like "Can you j-u-m-p?" or
 "Can you h-o-p?" and they have to put the sounds of the word together and
 show you the action.
- Make up silly rhymes where you use words that begin with the same letter or the words all rhyme, like "cat", "bat" and "hat".

Physical Development

Children will develop their abilities to self-care including toileting and getting dressed/undressed. They will take part in a wide range of activities to encourage the development of their gross motor and fine motor skills. They will move freely and with pleasure and confidence in a range of ways, such as slithering, shuffling, rolling, crawling, walking, running, jumping, skipping, sliding and hopping. We provide the children with lots of 'funky fingers' activities, to develop their fine motor skills in order to prepare for writing. We also encourage the children to visit our mark making area to practise writing, drawing and colouring. Children will continue to show some understanding that good practices regarding exercise, eating, sleeping and hygiene can contribute to good health.

- Encourage your child to use a knife and fork correctly
- Practise using scissors to cut dough, cooked spaghetti or paper

This block we have Forest School, this is on a Wednesday morning. Children need to be appropriately dressed. You will have had an email for consent and with more details.

Personal, Social and Emotional Development

The children will develop confidence to talk to other children when playing and will communicate freely about their own home and community. In Nursery, we encourage the children to be independent and select resources and activities they would like to use. They will begin to accept the needs of others and can take turns and share resources, sometimes with support from others. Children will also begin to explain their own knowledge and understanding and ask appropriate questions of others.

What you can do to help:

- Encourage your child to put their own shoes and coat on
- Ask your child to help with simple jobs at home
- Praise your child when they try to do things for themselves
- Encourage your child to get dressed and undressed independently
- Play games with your children, reinforcing turn taking.
- Talk to your child about what they are doing and how they are feeling.

Literacy/ Phonics

We will be reading a variety of books as a class and sharing our thoughts and ideas about them. We will be encouraging children to visit our story area where they will find a variety of books to enjoy. We will be learning about books and how they convey meaning by looking at the front cover, words and pictures. In Phonics, we will be focusing on Phase 1. This involves exploring seven aspects of sounds including environmental, instrumental, body percussion, rhythm, rhyme, alliteration, voice sounds and oral blending/ segmenting. The older children heading to Reception in September will be learning sounds in Phase 2 Phonics. What you can do to help:

Mathematics

☆

 $\stackrel{\wedge}{\Rightarrow}$

Children will be learning to count and recognise numbers using a variety of counting principles, comparing quantities, and exploring 2D and 3D shapes. What you can do to help:

- Recognise the numerals 1-10 and beyond
- Talk about colours and colour mixing
- Discuss the language of size e.g. big, small, mediumsized
- Use correct positional language e.g. on, under, on top, next to
- Encourage your child to count objects/ toys
- Count anything and everything!

Expressive Arts and Design

The children will be introduced to a wide variety of art including music, painting, collages, using natural materials, exploring colour and Winter art. We will be creating with materials and learning how to be expressive and imaginative!

What you can do to help:

- Ask your child what they have done at Nursery
- Speak to your child about natural materials
- Talk about the colours of different things
- Listen to music, sing and dance!
- Design and make using recycled materials (junk modelling)

Understanding the World

Children will be learning about the past and present, people, culture, communities and the natural world. We will also be learning about the weather, seasons and ICT.
