Learning environment

When pupils are at school, learning will take place in classrooms, outdoor spaces and the hall. These spaces will be kept safe, clean and ready for pupils to use them.

They will be arranged to promote learning through:

- Clearly labelled, comfortable and attractive zones such as reading corners and quiet areas
- Posters of material pupils have previously learned about and can identify
- Accessible resources for learning such as books, worksheets and other equipment
- A seating layout that allows everyone to see the board and participate
- Displays that celebrate and support pupils' learning

Adaptive teaching

Teaching and learning at our school will take the backgrounds, needs and abilities of all pupils into account. We will adapt learning to cater to the needs of all of our pupils, including:

- Pupils with special educational needs and disabilities (SEND)
- Pupils with English as an additional language (EAL)
- Disadvantaged pupils

A variety of strategies will be used to do this, such as:

- Using support staff effectively to provide extra support
- Working with our SEN co-ordinator (SENCO), our pupils with SEND, and their parents to establish the appropriate level of material to support these pupils to make good progress
- Using ability groupings for certain subjects where appropriate
- Providing writing frames and word banks

Home learning

Home learning, or homework, will support pupils to make the link between what they have learnt in school and the wider world. It's most effective when done in a supportive, secure environment, with focused time set aside.

All home learning will be made available via class dojo

Home learning will be reasonable in challenge and length, and its purpose will be clearly outlined alongside each task.

Marking and feedback

Feedback will clearly explain to pupils what they're doing well and what they need to do next to continue to improve their work.

It will be given regularly by staff, either verbally, or in pupil books.
